## Developments in financing transitions to climate neutrality and increased resilience in cities

**Date:** Friday, May 31, 2024

**Time:** 16:00 PM — 17:30 PM (CEST) // 7:00 - 8:30 AM PST

**Webex Access Link:** <https://uba-meeting.webex.com/meet/stadtlandplus>

Dial-in Option Germany: +49 619 6781 9736

Dial-in Option US: +1 650 215 5226

Meeting Number: 174 493 0249

Explore the landscape of municipal financing strategies for climate-resilient infrastructure with insights on diverse revenue streams for cities: from carbon pricing to land-value capture. Understand the role of the insurance industry in climate adaptation and the importance of aligning financing with ESG-principles to mobilize patient private capital. Address the challenges of accessing climate funds in African economies and discover solutions for bridging the gap.

The following speakers are foreseen for the webinar:

<p><b>Oleksandr Sushchenko</b> Associate Prof., Kyiv National Economic University</p> 	<p><b>Paolo Bartoldi</b> Senior Expert, European Commission</p> 
<p><b>Zehra Yakut</b> Student, Kadir Has University</p> 	<p><b>Reimund Schwarze</b> Prof., Helmholtz Centre for Environmental Research</p> 
<p><b>Peter Meyer</b> Prof. Emeritus, University of Louisville</p> 	

The agenda of the webinar can be found on the DE-US website: <https://www.de-us.net/>
